

**Goodbye 2 o'clock slump.**

**Hello productive office.**

**Introducing a healthy lunch and snack alternative for a more productive office.**

**You know the feeling.** It's lunchtime and your employees are hungry. There's not much time, but they need to eat *something*. They grab a quick bite and for a short time, everyone feels satisfied. An hour later, eyes get heavy and heads start to bob, and you wonder *HEY, who turned out the lights?*

Fast and Nutritious lunch solutions at the office have been hard to come by—until now. With USANA's line of low-glycemic meal replacement shakes, snack bars and energy drinks, your staff can grab a quick lunch or snack that's convenient, delicious and best of all helps power them through the day without hunger cravings or that all-too-familiar "crash and burn" feeling.

**Make sure you offer your employees a USANA Healthy Lunch Alternative every day!**

### Turn up your office productivity!

- Avoid the "2'oclock blues" by offering healthy, low-glycemic meal alternatives
- Supports anyone's long-term healthy eating plans
- Quality & Safety—trusted by many of the world's elite athletes

### Getting started is easy.
